☐ Document(s) were located which originated with, or contained information concerning other Government agency(ies) [OGA]. This information has been:

☐ referred to the OGA for review and direct response to you.

☐ referred to the OGA for consultation. The FBI will correspond with you regarding this information when the consultation is finished.

☐ In accordance with standard FBI practice and pursuant to FOIA exemption (b)(7)(E) and Privacy Act exemption (j)(2) [5 U.S.C. § 552/552a (b)(7)(E)/(j)(2)], this response neither confirms nor denies the existence of your subject's name on any watch lists.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

☒ You have the right to appeal any denials in this release. Appeals should be directed in writing to the Director, Office of Information Policy (OIP), U.S. Department of Justice, 1425 New York Ave., NW, Suite 11050, Washington, D.C. 20530-0001, or you may submit an appeal through OIP's eFOIA portal at <http://www.justice.gov/oip/efoia-portal.html>. ☐ The enclosed material is from the main investigative file(s) in which the subject(s) of your request was the focus of the investigation. Our search located additional references, in files relating to other individuals, or matters, which may or may not be about your subject(s). Our experience has shown when ident, references usually contain information similar to the information processed in the main file(s). Because of our significant backlog, we have given priority to processing only the main investigative file(s). If you want the references, you must submit a separate request for them in writing, and they will be reviewed at a later date, as time and resources permit.

☒ See additional information which follows.

Sincerely,

David M. Hardy  
Section Chief  
Record/Information  
Dissemination Section  
Records Management Division

Enclosure(s):

In response to your Freedom of Information (FOIA) request submitted to the Records Management Division at Winchester, VA, enclosed are processed copies of FBI Headquarters files 52-HQ-92226 and 94-HQ-1-208, FBI Birmingham file 46H-BH-51721, and FBI Richmond file 80-RH-686. The enclosed documents represent an interim release of information responsive to your FOIA request.

No fee is being assessed at this time. When the second interim release is made in this case, you will be billed for the \$5.00 fee associated with this first release as well as the \$15.00 duplication fee for the second release for a total of \$20.00. Each subsequent release will be made at a cost of \$15.00.

Records which may have been responsive to your request were destroyed between March 1970 and March 2009. Since this material could not be reviewed, it is not known if it was responsive to your request. Record retention and disposal is carried out under supervision of the National Archives and Records Administration (NARA), Title 44, United States Code, Section 3301 and Title 36, Code of Federal Regulations, Chapter 12, Sub-chapter B, Part 1228. The FBI Records Retention Plan and Disposition Schedules have been approved by the United States District Court for the District of Columbia and are monitored by NARA.

Additionally, a search of the Central Records System maintained at FBI Headquarters indicated that potentially responsive records have been sent to NARA. If you wish to review these potentially responsive records, send your request to NARA at the following address using file numbers 157-BA-3948, 100-HQ-397641, 100-BF-20141, and 157-CV-2238 as references:

National Archives and Records Administration  
8601 Adelphi Road  
College Park, MD 20740-6001

On September 8, 2011, the facility where the records are stored suffered a catastrophic flood that temporarily prohibits access to these records. Remediation is ongoing for the records stored in this facility. Unfortunately, we are unable to determine if, or when, these records will be available for review.

A search of the indices to our Central Records System reflected there were additional records potentially responsive to the FOIA. We have attempted to obtain this material so it could be reviewed to determine whether it was responsive to your request. We were advised that the potentially responsive records were not in their expected location and could not be located after a reasonable search. Following a reasonable waiting period, another attempt was made to obtain this material. This search for the missing records also met with unsuccessful results.
